

Flashlights

WOW™ & TopSpot® 2

Both of these unique lights have tough polymer cases that convert instantly from flashlights to head lamps. TopSpot® 2 has a tilting reflector for easy targeting of work, plus an adjustable focus beam. WOW™ features a unique textured reflector, eliminating ‘hot spots’, and a head that tilts 180°.

TopSpot® 2

Both TopSpot 2 and WOW convert instantly from powerful flashlights into comfortable headlamps
